© Warwickshire Gardens Trust 2013; Registered charity no. 1003176

Ever since they appeared in ancient Egypt, obelisks have retained their power.

The Obelisks of Warwickshire is a guidebook to 20 notable examples, together with many others in the county, Birmingham and Coventry.

- Fascinating stories!
- Maps and directions!

From its unusual standpoint this well-researched, well-illustrated book illuminates episodes in the history of Warwickshire and the wider world.
